INDUSTRY NEWS

Subaru PH Releases Cheaper Variant Of The Outback

When the new Subaru Outback was launched, people hailed it for its versatility. It was comfortable—a sound long-distance vehicle that offered the space of an MPV and the off-road capability of a crossover SUV. Good news for those who want one: It can now be had for cheaper, too.

INTERNATIONAL

Japanese Carmakers Nissan, Mitsubishi To Continue Minicar Partnership

As the world continues to go crazy over SUVs and crossovers, some carmakers think there is a demand for other cars apart from these popular categories. If you look a little more closely at the auto industry, you’ll see a segment that seems to be moving just as quickly--the minicar class.
