Iranians march on eve of U.S. oil sanctions
Iranian marchers chanted “death to America” and burned the Stars and Stripes on Sunday, as the anniversary of the 1979 seizure of the U.S. embassy coincided with the eve of reimposed U.S. oil sanctions. David Doyle reports.

MACROECONOMIC SNAPSHOT

Economists see faster growth in Q3

The economy likely grew at a faster pace in the third quarter as robust government expenditures on public goods and services, especially infrastructure, offset the impact of higher prices on consumer spending.

Inflation forecast to start easing in 4th quarter

Inflation likely slightly slowed in October from September’s more than nine-year high of 6.7 percent, with majority of economists seeing the rate of increase in prices of basic commodities to have had already peaked during the third quarter.
