Philippines to present nuclear plan to IAEA

THE GOVERNMENT will present a plan to revive the country's nuclear energy development program in a meeting next month with the United Nations' International Atomic Energy Agency (IAEA), Energy Secretary Alfonso G. Cusi said at the handover event of the phase one report of the Integrated Nuclear Infrastructure Review (INIR) mission.

Regulation of shipping charges could hurt competitiveness

THE government's plan to regulate the fees charged by international shipping lines that operate in the Philippines will likely disrupt the trade and negatively affect the country's competitiveness, according to a study conducted by a University of the Philippines professor.

SLEx, Skyway, NAIAX, STAR Tollway ready for Undas 2019

Soon, Metro Manila will be (mostly) traffic-free as people head to the province or out of the country in observance of this year's Allhallowtide, more commonly known as Undas. Those staying in Manila will get to enjoy the mostly empty streets. However, the same can't be said about those planning to drive to the province.
